

ABCTC: New Class Guidelines

- (1) You must wear a mask upon entering the building and that mask must stay on at all times.**
- (2) Only one person is allowed per each dog.**
- (3) Please do not enter the building more than five minutes prior to the start time of your class. This allows the class before you to exit while maintaining social distancing.**
- (4) Classes will always start and end on time in order to social distance while entering and exiting the building.**
- (5) Always maintain a distance of six to eight feet away from all other students and instructors.**
- (6) Avoid touching any dogs other than your own.**
- (7) Only bring items into the building that are necessary for class. You may bring your own portable crate if needed as we can no longer have crates for general use.**
- (8) Cleaning and disinfecting on all commonly touched surfaces will occur between each class.**
- (9) We can no longer provide a water bowl for your dog. Please plan accordingly and have water in your car to use before and after class.**
